We Connect Your Players

Crane Payment Solutions presents Cashconnect. This safe and secure payment system is a way for your players to connect directly to the Slot System and/or Cashless System by enabling cash transactions.

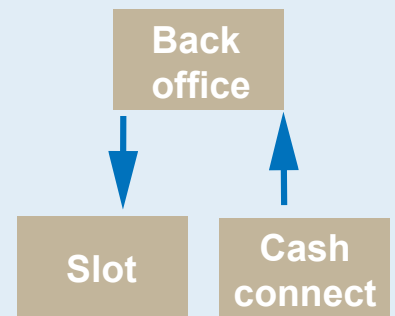

Unique Features

- Worry free, All-in-one kit
- Easy to attach to your existing gaming machines
- Direct connectivity to most back office system
- Separate keyed access for cash collection and performance management
- Proven, state of the art bill validation technology
- Reliable and large cashbox

Advantages

- Enables cash transactions
- Improves gaming revenue
- Compliant to local regulations
- Meet your security requirements
Improve operational efficiency
- Players play more, spend more
Higher ROI benefits
- More money per machine
Manage your floor efficiently

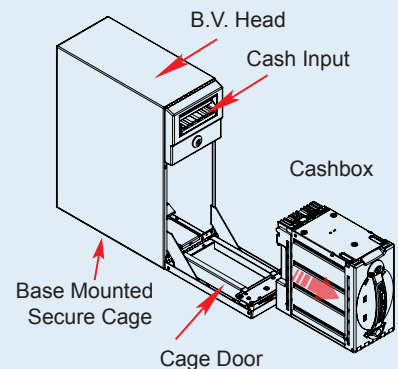

A solution compliant to gaming requirements

How it Works

- 1 Player inserts cash into CashConnect
- 2 B.V. reports value to back office
- 3 Back office confirms, bill is stacked
- 4 Player gets credit at machine

Easy to add, customized access
